## *Circular to Chief Executives of Commercial Banks and Credit Institutions*

### Revision of submission deadline for the BS100

At the Uganda Bankers' Association (UBA) meeting with Governor held on January 18, 2012, Bank of Uganda presented the monetary policy report which contained data for November 2011. While discussing the report, UBA members requested Bank of Uganda to include current data in the monthly monetary policy report.

To enable Bank of Uganda respond to UBA request, we are proposing a revision of the submission deadline for the BS100 return from fifteen days after the end of every month to **seven** days after the end of every month.

Your usual co-operation is highly appreciated.

J Bagyenda (Mrs)  
**Executive Director Supervision**
