***Circular to all Chief Executives of Commercial Banks, Credit Institutions and Microfinance Deposit-taking institutions***

**Changes to Schedule 3 of the BS 100 and MDI 100 Returns.**

In a bid to improve the accuracy of reporting on interest rates and the quality of analysis, Bank of Uganda has revised Schedule 3 of the BS 100 and MDI 100 returns. The revisions are as follows;

1. The lending rates bands have been narrowed to 1.9% from 2.9%.
2. The returns have been modified to capture the lending rates applicable to the different credit maturity buckets.

The purpose of this circular is to request all Supervised Financial Institutions to implement these changes starting with data for the month ending November 2013. The electronic template has already been uploaded onto the Bank Supervision Application system (BSA) for your access.

We thank you for your usual co-operation.

Yours faithfully,

J. Bagyenda (Mrs.)  
**Executive Director Supervision**
