## Rollout of BSA Communication Tool

In pursuit of continuous improvement of processes, Bank of Uganda will rollout a communication tool effective July 01, 2014 which will, in the initial stages, enable BoU to forward communications (letters and circulars) to Supervised Financial Institutions (SFIs) via the BSA system. This will eliminate the bulk of physical delivery of communications to SFIs thus facilitating expeditious communication between BoU and the SFIs.

In the beginning, the communications will be one way, from BoU to the SFIs, however, there will be a second phase which will enable SFIs to send communications to BoU as well using the BSA system. The second phase is expected to be rolled out by end of September 2014 following success in the first phase.

The purpose of this circular therefore is to inform SFIs of this development and request you to nominate **two staff preferably from the office of the Managing Director** who will be provided with access rights to the BSA system. The names of the staff as well as their email and telephone contacts should be forwarded to the Office of the Director Commercial Banking with an email copy to [bsa\\_support@bou.or.ug](mailto:bsa_support@bou.or.ug) by Friday June 20, 2014. For any further inquiries please contact Mrs. Jacqueline Nansamba Kigonya at [jnansamba@bou.or.ug](mailto:jnansamba@bou.or.ug) or 0414258441 ext 3343.

Yours faithfully,

Benedict Ssekabira

Ag. Executive Director Supervision
