Financial Inclusion Return

Bank of Uganda adopted Financial Inclusion as one of its strategic initiatives in the Strategic Plan 2012-2017. Data on access to and use of financial services are vital to monitor the progress in building an inclusive financial system that balances access, stability and the protection of customers.

Accordingly, in 2014, Bank of Uganda introduced bi-annual collection of comprehensive data on financial institutions' branch network, Automated Teller Machines (ATMs) and use of key financial services provided by the Supervised Financial Institutions particularly deposits and loans which help inform policy and monitor progress.

The purpose of this circular therefore is to request you to provide an update for the half year ended June **2015** by **August 7th 2015**. Please note that the electronic template for reporting is available through the BSA.

Any question regarding the template can be forwarded to Mr. Alex Ochan: aochan@bou.or.ug or Mr. Alfred Kurong: akurong@bou.or.ug.
