Circular to all Chief Executives of Commercial Banks, Credit Institutions and Microfinance Deposit Taking Institutions

INTRODUCTION OF THE EAST AFRICAN COMMUNITY SCHEDULE 14 IN THE BS100 AND MDI100 REPORTING FORMS

In line with the EAC Monetary Union (EAMU) Protocol, which was signed in November 2013, the East African Community (EAC) Secretariat is harmonizing all economic statistics, including monetary and financial statistics. The harmonization necessitates Partner States' reporting institutions to provide **further breakdown of their non-resident financial positions** and in particular inter-EAC financial positions.

In an effort to collect the information required by EAC, BOU has modified its reporting forms BS100 and MDI100 by adding **Schedule 14**.

The purpose of this circular therefore, is to request you to implement these changes starting with data for the month ending July 2015. The electronic template has been uploaded onto the BSA.
