Circular to Chief Executive Officers of Commercial Banks, Credit Institutions and Microfinance Deposit-Taking Institutions

Agricultural Credit Facility (ACF) – Submission of the ACF Return using the Bank Supervision Application (BSA)

The Agricultural Credit Facility was set up by the Government of Uganda in partnership with Commercial Banks, Uganda Development Bank Ltd, Microfinance Deposit Taking Institutions and Credit Institutions, all referred to as Participating Financial Institutions. The Scheme's operations started in October 2009, with the aim of facilitating the provision of medium and long term financing to projects engaged in Agriculture and Agro processing, focusing mainly on commercialization and value addition. The scheme is administered by the Bank of Uganda (BOU) and its operations are guided by the Memorandum of Understanding signed by all the stakeholders.

In a bid to improve and monitor the ACF operations, BOU has automated the ACF return and uploaded it on the BSA to hasten the submission and consolidation of information related to the scheme.

This is to therefore inform you of this development and advise you to upload the ACF information in the attached format as part of your quarterly submission to BOU using the BSA with effect from **January 20, 2017**.
