November 15, 2018

All Chief Executive Officers of Commercial Banks, Credit Institutions, Microfinance Deposit-taking Institutions, Forex Bureaus and Money Remitters

Changes on how Supervised Financial Institutions will connect to BOU Systems

Bank of Uganda is moving to a new firewall and as a result; Commercial Banks, Credit Institutions, Microfinance Deposit-taking Institutions, Forex Bureaus and Money Remitters have to change how they connect to BOU resources. A successful test-run has been conducted in the new firewall and with the exception of the automated clearing house (ACH) gateway, all other services shall be accessed directly through HTTPs.

This is to inform you that the change will take place effective **Saturday, 17th November 2018 at 8:00 a.m.** All institutions are, therefore, required to complete the attached checklist and email a copy to arutta@bou.or.ug after they have fully tested the availability and accessibility of the resources. Also attached are the instructions on how to access the BOU resources.

Tumubweinee Twinemanzi (Dr.)
Executive Director Supervision
