and Microfinance Deposit-Taking Institutions**

Commercial Banks, Credit Institutions and Microfinance Deposit-Taking Institutions are currently submitting information to Bank of Uganda regarding the number of accounts and account balances on a Semi-Annual basis using the Semi-Annual Return on Outstanding Deposit Balances.

In order to further enhance the analysis and usage of the information provided, submission of this data should henceforth be done on a quarterly basis.

The purpose of this circular therefore is to direct all Supervised Financial Institutions to submit data on number of accounts held and their balances on a quarterly basis effective from the March 2018 quarter. A new template will be uploaded onto the Bank Supervision Application (BSA) to aid submission of this data.
