19 November, 2018

Chief Executive Officers of Commercial Banks

Technical Training of Market Participants

As part of its capacity building initiatives, Bank of Uganda has organized a two and a half day training workshop for market participants in the domestic markets. The exclusive training is fully sponsored by Schrodgers Investment Management based in UK. They will also cater for the resource persons who will offer practically oriented hands-on experience in the areas of financial market instruments, pricing & valuation of fixed income, money market trading, risk modeling, trading in derivatives and liquidity management techniques, among others.

Alongside the workshop sessions, there will be ample peer-to-peer exchange of experiences and networking opportunities. A copy of the Agenda is herewith attached.

The training will be held in **Kampala** from **5th to 7th December 2018**, at **Sheraton Hotel** and tea and lunch will be provided during the workshop.

The purpose of this letter is to invite you to nominate one (1) person from your institution to attend this training. I will appreciate if your nomination can be received by 23rd November 2018, to give us ample time to finalize with the logistical arrangements. Please send the name of your nominee to Mr. Denis Lwamafa at dlwamafa@bou.or.ug.

Louis Kasekende (PhD)
Deputy Governor
